

## **Bethesda Church Vision**

***It is the dream...*** of a place where God's presence is our priority. God's presence is the beginning of every breakthrough. God never separates His presence from His power. God's presence and power must be restored to the church.

***It is the dream...*** of developing an apostolic environment that pulls the supernatural into the natural and brings the priority of supernatural activity into the practical, daily lives of believers. We are designed to be "supernaturally natural" and "naturally supernatural."

***It is the dream...*** of a church that loves to worship God. We will experience His presence and see His glory. His arrival is the foundation for revival. We will minister to the Lord with our praise and thanksgiving, and He will abide with us.

***It is the dream...*** of a church where people can't wait to come, and we will continually grow because everyone is bringing someone.

***It is the dream...*** of a place where the lost and hurting, the depressed and the confused will come. They will find forgiveness and salvation in Jesus Christ, and we will love, help, and encourage them.

***It is the dream...*** of a church that loves to pray and fast. We will become a church that will "pray without ceasing" (I Thessalonians 5:17). We will have a place for 24-hour prayer, and people will come from our region and around the world to pray.

***It is the dream...*** of a Spirit-filled church that will teach and preach the Word of God in accurate and practical ways. We will disciple believers and help them to discover, develop, and use their spiritual gifts and talents.

***It is the dream...*** of a place where our young people will grow and develop into spiritual maturity. We will have exciting ministries for our children and students.

***It is the dream...*** of a place where service is our passion. We will equip every believer for ministry and provide various opportunities to serve in the church and in the community.

***It is the dream...*** of a place where sharing the Gospel is a way of life. We will support and sponsor outreach events to reach those not being reached and we will share the Good News of Jesus Christ. We will use media and technology to spread the Gospel.

***It is the dream...*** of a church reaching every nation for Jesus Christ. We will support and send out missionaries and church workers all around the world. Our people will have opportunities to go on mission trips.
